Our program runs August through May on Tuesdays and Thursdays of each week from 9:00 a.m. until 2:00 p.m. The teachers will be in their rooms to receive the children. Please pick your child up promptly at 2:00 p.m.

We run on the Sumner County School system's schedule for holidays and snow days. If the schools are closed for snow, we will be closed. If the schools are running late, we will start on time. In the event the schools close for snow after they are in session, we will also close early. Please pick up your child as soon as possible if you hear that schools are closing.

We have a registration fee of \$35.00 per student which is non-refundable. Tuition is due on the first of each month. The monthly tuition is \$135.00. Tuition for one day a week is \$90.00. If the total due is not received by the first of the following month, your child will be suspended until the monies are received. Our tuition is the same each month even if holidays fall in that month. Two snow days are built in. If more than two are used, they will be made up or a credit issued. This evens out during the year because some months have more days. Remember, you are paying for your child's spot and tuition is the same whether your child attends each day or not. Also, it is important that the teachers know how many to prepare for each day we are open.

Our teachers are kind and caring individuals. Our goal is for the child to have a good time along with learning to get along with other children and take directions from the teacher. We have a structured schedule each day that includes class time, music, playtime, and a time for rest or naps. We are happy to share with you that we use the WEE Learn Curriculum which is filled with great ideas for teaching.

We offer classes for children 1 year old through 4 years old. In our 3- and 4-year-old classes, we begin to teach letters, numbers, colors, shapes, etc. Even though we don't consider our program a preschool, we have been very successful in preparing our 4-year-olds for kindergarten. Your child's age on August 15<sup>th</sup> will determine his or her class. It is best if they remain in the same class for the whole year.

The children bring their own lunch. Please let them bring food that they can handle for themselves. You will need to include a drink with your child's lunch.

Your child will need a mat for rest time. Many parents bring a covered mat or a crib sheet to cover the mat. Also, you may want to bring a blanket and a pillow. Please be sure and put your child's name on anything that he or she brings.

School policy now requires that when girls wear dresses to school, shorts or tights must be worn under them. We suggest that they do this for MDO also in preparation for kindergarten.

## EMERGENCY TREATMENT PERMISSION

I give my permission for the Director or her Designee to transport my Child:

---

(Child's Name)

to the nearest medical facility (Hendersonville Medical Center) for treatment in the event of an emergency that needs immediate attention.

I understand that I will be notified as soon as possible if such an emergency should occur.

In case of any other type of illness or accident where time is not of the essence, the parent or other authorized person will be notified to come to the church and make the decision concerning treatment.
